Business Manager Artist Photographer Assistant Editor

LAST WILL AND TESTAMENT

We, the Seniors of Bryant High School, wish to make a will so that in case we are not here next year, someone can carry on.

I, MARIAM SHEPHERD, will my ability to dance at noon to Richard Walter.

I, PATTY KELLY, will my artistic ability to anyone who has the patience and the time to go on with it.

I, LARRY GROGG, will my ability to not have dates in high school to Ray Shultz.

I, SANDY WHETSTONE, will my ability to fall off school buses to Liz so she can have her boyfriend help her up the stairs.

I, DON MINCH, will my "Brains" to anyone dumb enough to use them.

I, KAYELLEN MOORE, will my ability to go with the same boy for three years to Sara Derrickson.

I, KAYE WELSCH, will my ability to get along with Mr. Wallace and Mr. Minch to anyone crazy enough to take their teasing.

I, KENNY KELLER, will my ability to always be the last one dressed after practice to Terry Masters.

I, SUE FENNIG, will my ability to get an A+ on my short-hand tests to anyone who thinks she can get it.

I, CAROL HIESTAND, will my ability to shine Mrs. Scholer's shoes to anyone who wants the job.

I, JOHN GARLINGER, will my ability to always keep training rules to anyone who wants to be on the first five in basketball.

Here are our Senior Lettermen. They have probably set a new record; can you think of any other class that had 75% of the boys earn honor jackets? We are very proud of them.

The Owls won only two games this fall but they loose only two players and should be experienced and sound next fall. Seniors lost from the team are John Garlinger and Kenny Keller.

ZUERCHER'S MUSIC SHOP
Berne, Indiana

CROSS COUNTRY

The Cross Country team also did quite well last fall. Most of the meets were run at Portland, Geneva, or Pennville. Bryant beat such teams as Pennville, Hagerstown, Winchester and most of the county teams. They were defeated by Portland, Geneva (twice), Pennville, and Redkey.

At the county meet the team placed second as Ray Schultz was the county winner for the second straight year.

The team was composed of juniors: John Hoffman, Don Snow, Don Shoemaker, and Tom Muhlenkamp. Sophomores: Larry Boice, Ray Shultz, and Ernie Fifer. Freshmen: Mark Houser and Roger Rittenhouse. The team, composed of under classmen, loses no one due to graduation and should be very successful next fall.

TRACK

Bryant's track team did very well last spring. Most of the meets were at Adams Central, Berne, and Geneva. Bryant usually finished second or third at these meets. Again Bryant won the County Track Meet held at Dunkirk. They finished thirty points ahead of their nearest competitors. They won many firsts and also several important seconds and thirds. Wins were recorded in the 100 yard dash, 220 yard dash, 880 run, mile, broad jump, low hurdles, high hurdles, and both the mile and half-mile relays. Gone from the team are Les Hayden, Larry Orr, Dwight Michael, Dennis Link, and Bill Moore.

Once again we hope to win the County Meet. We have several fine runners back and should be in contention for the County Championship.

BOYS' AND GIRLS' STATE

This year those attending Boys' and Girls' State were John Garlinger, Kenny Keller, Kayellen Moore, and Kaye Welsch.

Y. F. C.

Y.F.C. officers this year are President, Janice Stauffer; Vice-President in charge of programs, Julia Illif; Vice-President in charge of publicity, Keith Keller; Secretary and Treasurer, Lois Herman; Song Leader, Don-avon Shoemaker.

TRI-HI-Y

The Tri-Hi-Y girls, sponsored by Mrs. Ketchum, have added a little life to the school spirit by sponsoring record hops after the basketball games this year.

SENIOR CLASS PROPHECY

The year is 2000 A.D. The place is anywhere in the universe. The time is now.

This is Don Minch in my souped-up space ship. I am a member of the space patrol. I am going to tell you about some of the classmates I've encountered during my duty as a space patrolman.

My first encounter was with my old classmate Sue Fennig. She was working on the planet Mars in a drive-in restaurant for space ships. The name of the restaurant is "Charlie's Fly In." Yes, the same Charlie of high school days. They own a large chain of restaurants and have at least one on every planet. Their slogan is "Our food is out of this world."

Beep! Beep!

Excuse me folks, that's my intercom radio. Trouble on Venus. Instantly, I punch my Venus button and we're on our way. The trouble is a speeder going 5000 miles per minute too fast. Now, I will stop the space ship and arrest the unknown driver. Well, guess who the driver is? Patty Kelly! It seems that every time Patty drives, she goes too fast. I have no alternative, but to send her to court.

The judge is none other than the honorable John Henry Garlinger. John has been a judge for ten years, having graduated from Harvard on the far off planet of Earth. The fine is the same as on Earth -- \$17.75. John and his secretary then invited me to supper, but being on duty, I could not accept.

Meanwhile, on Earth, World War III is in the making. President Kaye Welsch is attacking Russia. It seems Russia made a wise-crack about a woman being President. Kaye and her military advisor, John "Tuffman" Hoffman are making the final plans for the attack. Good luck, Kaye!

Beep! Beep!

Time for the half-time score from the big game between the Space Cadets of Jupiter and the Komets of Earth. The score is now 4-2 in favor of the Cadets for which, none other than, Kenny "Holstein" Keller is the coach. His team is undefeated so far. Their record is 0-0.

Sitting in the audience, we see Kayellen Moore, now Mrs. Dave Pyle, cheering for her favorite team. They own a wide variety of Pottery Shoppes. Their saying is "A pot for every home."

Beep! Beep!

Emergency call from the Silent Giant building, in which robots are made. It seems that Mariam Shephard, no less, is caught in one of the elevator's capsules. She was taking dictation, when her boss, a robot, got up and chased her!!!!

Larry Grogg went on to Huntington College and is now a very successful ranch resort owner in Colorado. He owns a 59,000 acre ranch and has 20,000 Hereford steers on his ranch. He owns two Cadillacs and has two airplanes to check his ranch. Larry's real income is from the tourists. He has fifty tourists per week and at least forty of them are girls. He teaches them riding, roping, and other important lessons. Larry has yet to marry, but with two thousand girls visiting his ranch per year, he is soon to fall.

Another classmate has joined the Bingling Brothers' Circus. Carol, the sponge diver, is the main attraction. She was known-to us as Carol Hiestand. In a few minutes, the "Sponge Diver" is going to attempt her greatest feat. She is to dive into a wet sponge, from the top of a 1000 foot cliff. Happy ending, Carol!

In the happier surroundings of Venus, we find Sandy Whetstone taking care of her husband and a family of twelve. I guess they believe the old saying "Cheaper by the dozen!" They manage a resort for "Newly weds." Of course, their tribe helps out tremendously.

Now, I see the sun setting in the west on our wonderful planet. This is the sign that my space-patrol duty is over for the day. Therefore, I must go back to my headquarters and my loving wife.

This is the class of 1964 saying: Roger!!!

Kenny, Kaye, Larry and Sue

JUNIOR CLASS RINGS

SOPHOMORE CLASS JACKETS

JUDGING TEAMS

This was a very successful year for the dairy judging team.

At the county contest, the team placed second. This gave them the right to compete in the district contest which was held at Hartford City. Here, Bryant again placed second, earning the right to compete in the state contest.

At the state contest, the team, composed of Kenny Keller, Mike Ninde, John Hoffman, and Donavon Shoemaker, and coached by Wayne Haffner won many honors. They were second place team over all - losing to Berne by one point. Kenny Keller was high individual in the state contest while Mike Ninde was fifth high individual, but above all they earned the right to participate in the national contest at Waterloo, Iowa. At Waterloo, the team finished in the upper half of all teams competing.

The crop judging team also did quite well. They won the county contest. At the district, the team composed of Dwain Michael, Tom Coats, Marvin Starr, and Allen Chrisman finished seventh - just missing the chance to compete in the state.

The livestock judging team also did very well this year.

They placed first in the county contest to earn the right to compete in the district contest where the team placed third and moved on to the state contest.

The team composed of Dwight Michael, Joe Huey, Tom Muhlkamp, and John Weigel finished eighth over all.

This team also received a trip. They went to Kansas City, Missouri to the national contest. Here Dwain Michael took the place of his brother Dwight since Dwight was attending Ball State College. At this contest they finished eighth.

LATIN

Mr. Cheek and his second-year Latin students; Ester Bryan, Crystal King, Dick Walter, Janice Stauffer, and Becky Schoenlein wanted a picture taken since the class is unusual at Bryant. They all seem to be enjoying the class, don't they?

KITCHEN STAFF

This year our cafeteria is well equipped with help. Along with the regular two, Mrs. Polling and Mrs. Hartnagle, are Linda Loy, Darlene Gettinger, Donna Rittenhouse, Sheryl Caster, Barb Stults, Allen Chrisman, and Don Snow. They give the best of their services each day to serve us our meals promptly.

BUS DRIVERS

These smiling faces belong to our excellent bus drivers, Mr. Murphy, Reverend Brookshire, Mr. Masters, Mr. Craig, and Mr. Schoenlein.

JANITOR

Here we have Tom, the person who keeps our school clean and warm.

 Cheryl Gettinger - Treasurer
 Dave Bergman - Student Council

CAN YOU IMAGINE - - -

Kaye Welsch finding HER books in HER desk
Sue Fennig not looking forward to college holidays
Carol Hiestand loving her middle name
Patty Kelly dating a different boy every night
Mariam Shepherd not reading library books in class
Kayellen Moore dating Dave only once a week
Sandy Whetstone dancing up a storm
Don Minch not liking girls
Larry Grogg not talking to John in Bookkeeping
John Garlinger being short, fat, and afraid of girls
Kenny Keller flunking so he wouldn't have to be in sports
The senior class not being the best one Bryant ever had.

TWELVE YEAR SENIORS

Although the Senior class is smaller than usual this year, there are some students who have stuck it out here at Bryant for at least twelve years. In recognition of these brave few we should erect a statue, but since we cannot, this picture will have to take its place.

CLASS POEM

We are the class of '64
A better group you'll never find
Four young lads and seven young lass
Make up the members of our class.

One of our basketball boys,
Who always makes a lot of noise,
Is John Garlinger, as you might know,
He always helps to conquer the foe.

One great mystery of the age
Is how he's going to earn his wage
In speech class, peace he'll always keep
For Don Minch is often feigning sleep.

School's a bore for Patty Ann
For she's already got her man,
Around the school she's usually shy
We wonder how she got her guy.

First in line is a daring young girl
Who goes around with her head in a whirl
Dave's wife is her aim
Kayellen Moore is her name.

Kenny is what they call him
But Kenny Keller is his name
A real good sport in everything
We hope he'll always stay the same.

Sandy Whetstone the valedictorian for this year
Everyone knows when Sandy is near
Her brains haven't really gone astray
Although she sometimes acts that way.

Mariam Shepherd with her friendly smile
Will operate an IBM machine for awhile
She will go on in her care-free way
After she's graduated on the 20th of May.

Larry Grogg is the industrious kind
A nicer guy you'll never find
He is a big help on the farm
And can't resist certain girl's charms.

Kaye Welsch is looking for higher knowledge
After school, then comes college
Teaching school and all the rest
For her future years, I see Success.

Sue Fennig has a face that glows,
With laughing eyes and a turned up nose
She's a very friendly lass
A nice addition to any class.

Carol Hiestand is always full of fun,
Her friends include most anyone,
Always ready for a party in class,
She never misses, this fair young lass.

Our goal has been reached
Graduation is near
We've written our poem
And we'll end it here.

PARADE OF CHAMPS

Kenny, Larry, and John
Honor Jacket Winners

Kaye Welsch

THE MOON *and beyond*

Bright, new horizons await today's students . . . new technologies . . . new advancements on all fronts . . . even the moon and whatever lies beyond.

How far you go in this space age depends partly on your imagination but primarily on your education and training. Conquering new horizons will demand more of today's graduates—more knowledge, more skills, more training and more specialization.

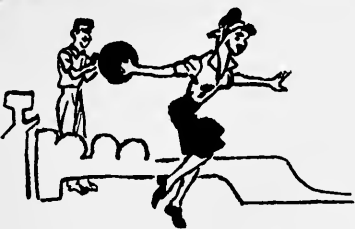

Our Free Enterprise system, with its high living standards, gives you an opportunity to "shoot for the moon" in any field. Whether or not your target is reached depends on how well trained you are to launch your career.
